As AI and machine learning continue to transform the workforce, organizations face an evolving hiring landscape that requires new strategies in talent management.

You're invited to join us on **Thursday, February 13**, at the **Robert Half Menlo Park Office** for networking and an engaging panel discussion on AI and the Future of Hiring. Our industry experts will share insights into the latest AI hiring trends, explore the future of talent acquisition, share best practices for integrating innovation with a people-first approach, and more.

Featuring insights from:

[Ireneo Mendoza](#), Robert Half, Regional Director, *Moderator*

[Tim Hird](#), Robert Half, Executive Vice President

[Brienne Ghafourifar](#), Entefy, Inc., CoFounder, Product & Operations Executive

[Doris Le](#), Zoox, Executive Recruiter

RSVP Today!
