**A Message from the Desk of Mary Prem**

**CEO of the South San Francisco Chamber of Commerce**

Happy New Year, South City!

As we jump into 2026, the energy in our community is higher than ever. We have a big year planned for the Chamber, and it's all designed with one goal in mind: helping your business grow and stay connected. Whether you have been with us for decades or you're just getting started, I am glad you're here.

One of the things we pride ourselves on is providing real value. With rising costs impacting everyone, I want to share a quick update regarding our membership. The Chamber has not increased its dues in over a decade, but to ensure we can continue providing high-quality services, our Board of Directors has voted for a nominal increase. For our Classic Rate, dues will move from \$250 to \$275 in 2026, and then to \$300 in 2027. There will be similar nominal increases across all other membership categories as well. Even with this change, the South San Francisco Chamber remains **the most affordable chamber** on the Peninsula. These additional funds will allow us to offer more for you, including specialized training and new marketing opportunities for your business.

Speaking of training, we are kicking things off with our January Mixer on Wednesday, January 21, at **Thai Satay**. We've included a session on social media posting for your business, and it's a great chance to meet our new **City Manager, Laura Snideman**. And of course, the food and drinks at Thai Satay are always incredible.

Looking ahead to February, we are doing something a bit different. On February 5, we're heading to the Farallon Room at Skyline College for a massive collaborative mixer, the **Sunset Soiree** with the **Daly City/Colma and Burlingame/SFO Chambers**. We believe that by collaborating, we expand our reach and create more opportunities for everyone. To attend either event, just respond to your Evite or email us at [info@ssfchamber.com](mailto:info@ssfchamber.com).

We are also looking for some fresh perspectives to join our **Board of Directors**. If you have a strong business sense and a heart for South City, we'd love to have you. We are specifically looking for people with backgrounds in law, social media, or marketing.

We are also gearing up for our **scholarship awards** this spring. I hope you'll consider sponsoring a deserving student. Sponsorship starts at \$1,000, and you are welcome to pool resources with friends or family to make it happen. You'll get to meet the recipient at our awards luncheon and personally present the check. It's 100% tax-deductible and a great way to invest in our future leaders. If you have a student in your family, please make sure they apply.

Finally, please take a look at the new business compliance list we've put together. There are several changes this year regarding the minimum wage and retirement requirements, and we want to make sure you are up to date.

Let's make it a successful year together. I look forward to seeing you at Thai Satay.

With gratitude,  
Mary

## 2026 Business Compliance Update

*Stay informed on the latest local and state regulations impacting South San Francisco employers.*

### Local South San Francisco Mandates

- **Minimum Wage Increase:** As of January 1, 2026, the local minimum wage in South San Francisco is **\$18.15 per hour**. This applies to all employees (adults and minors) who work at least two hours per week within city limits.
- **Required Posting:** Employers must post the official **2026 Minimum Wage Poster** in a conspicuous place. (Available in English, Spanish, Tagalog, and Chinese on the city website).
- **Business License Renewals:** The deadline to renew your 2026 business license is **February 28, 2026**. Avoid a 10% late penalty by filing before March 1.

SSF Business License Support: (650) 204-3304

### Retirement Mandate (CalSavers)

- **Final Deadline Passed:** As of January 1, 2026, **all** California employers with at least one employee are now required to provide a retirement plan.
- **Action Required:** If you do not offer a private plan (like a 401k), you must register for **CalSavers**. If you *do* offer a private plan, you must still visit the CalSavers website to **certify your exemption** to avoid fines.
- **Penalties:** Non-compliant businesses face state penalties starting at **\$250 per employee**, increasing to \$750 if left unaddressed.

CalSavers Employer Support: (855) 650-6916

### New California Employment Laws

- **Workplace Rights Notice (SB 294):** Employers must provide a new, standalone "Workplace Know Your Rights" written notice to all employees by **February 1, 2026**. This covers workers' comp, union rights, and immigration inspection protections.
- **Emergency Contact Mandate:** By **March 30, 2026**, all employers must allow employees to designate an emergency contact specifically to be notified if the employee is arrested or detained at the worksite.
- **Pay Transparency (SB 642):** When posting jobs, employers must now provide a "good faith" salary range based on what they actually expect to pay upon hire.
- **Personnel Records (SB 513):** The legal definition of "personnel records" has expanded. Upon request, employers must now provide employees with copies of their education and training records (certificates, competency tracking, etc.) if maintained by the company.

### Retail & Environmental Alerts

- **Plastic Bag Ban (SB 1053):** Most retail and grocery stores can no longer offer "thick" plastic reusable bags at checkout. Only recycled paper bags (min. \$0.10 charge) or certified highly durable reusable bags are permitted.
- **Tip Protection:** The Labor Commissioner now has expanded authority to issue direct citations for any business that unlawfully withholds or delays the distribution of employee tips.

## Chamber Celebrates New City Leadership

This past month, the South San Francisco Chamber of Commerce attended several city reorganizations across our region. These moments mark the start of new leadership and new opportunities for our communities, and we were proud to be there in support.

We congratulate our newly selected mayors and vice mayors and thank them for their commitment to public service. Strong partnerships between city leadership and the business community help keep our cities thriving.

We also appreciate the continued support these cities show the South San Francisco Chamber of Commerce. We look forward to working together in the months ahead to support local businesses and build strong, connected communities.

In South San Francisco, we congratulate Mayor Mark Addiego and Vice Mayor Mark Nagales.

In Daly City, we congratulate Mayor Glen Sylvester and Vice Mayor Teresa Proano.

In San Carlos, we congratulate Mayor Pranita Venkatesh and Vice Mayor Adam Rak.

## Chamber Hosts AI Training and Holiday Mixer at The Hangar

The South San Francisco Chamber of Commerce recently brought members and ambassadors together for a hands-on AI training at The Hangar. The session was led by Pat Murti of Pure Strategy, who shared practical ways small businesses can use AI to work smarter, save time, and sharpen their day-to-day operations. From simple tools to helpful shortcuts, attendees walked away with ideas they could put to work right away.

After the training, Camber Restaurant at The Hangar graciously hosted us for a holiday mixer. It was a great way to relax, connect, and continue the conversation over delicious food and drinks.

We also took a moment to recognize our hard-working Chamber Ambassadors with certificates of appreciation. Their time, energy, and dedication make a real difference for our members and our community.

A big thank you to our Chamber member, The Hangar, for sponsoring this event and for being such a welcoming and generous partner to the Chamber.

## Santa Comes to Town Brings Holiday Cheer to Downtown

This year's Santa Comes to Town was one of those feel-good days that reminds you why community matters. The Chamber teamed up with our downtown merchants to create a fun Bingo game that turned Grand Avenue and Linden into a festive stroll filled with treats, smiles, and surprises.

Families and neighbors walked up and down the streets with green bingo cards in hand, stopping in at participating businesses to sample free goodies, pick up treats, and say hello. Along the way, they played Bingo and even got to vote for their favorite decorated business. Instead of standing in line to see Santa, guests simply took a number and went off to enjoy the Bingo stops before coming back for their photos, which kept everything moving and stress free.

It was a joy to see so many people exploring our downtown, discovering local shops, and enjoying what our merchants had to offer. The energy was warm and happy, with laughter, holiday music, and plenty of friendly faces all around.

A special thank you to Chief Ambassador **Cesar Dominguez** and our amazing Ambassador team for helping make the day run so smoothly, and to the **South San Francisco Parks and Recreation Department** for their partnership and support. Completed bingo cards were dropped off at the **San Francisco Wine School**, wrapping up a day that truly brought the community together.

Congratulations to our  
Santa Comes to Town

### Antigua Coffee Shop Named Best Decorated Holiday Business

Antigua Coffee Shop was voted unanimously as the Best Decorated Holiday Business in South City, and it was well deserved. Victor and Monce transformed their café into a true North Pole, with every corner filled with holiday magic that instantly transported visitors into a winter wonderland.

Guests during Santa Comes to Town were also treated to complimentary churros, adding an extra sweet touch to an already special experience.

Congratulations to **Victor, Monce, and the Antigua team** for making South City's holiday season so memorable.

### National Blood Donor Month

January is typically a period of critical blood shortages because people stop donating blood during the holidays.

Donating blood helps people who have an illness such as cancer, anemia, [sickle cell disease](#), or [hemophilia](#).

If you donate blood before you have surgery, your own blood will be stored for you in case you need a blood transfusion. If you don't need it, your blood may be donated to someone else.

When you donate whole blood, you give about 1 pint (473 mL). It takes about 10 minutes; however, the whole process, including answering questions and having a brief exam takes up to an hour.

To donate blood in California, you must:

- Be at least 17 years old. Sixteen-year-olds can donate with a signed parental consent form, which may be required each time you donate.
- Weigh at least 110 pounds.
- Be in generally good health and feeling well on the day of the donation, free of cold or flu symptoms, fever, or active infections.
- Have a current, valid photo ID such as a driver's license, passport, or student ID with your name and date of birth.
- Eat a healthy meal within a few hours before donating (avoiding fatty foods) and drink plenty of non-alcoholic fluids.

Donated blood is tested to ensure it is safe to use. It's also checked for its type. This ensures that the person who needs blood gets the right type.
