Director's Article

As you read this article, I will have officially stepped down as CEO of the South San Francisco Chamber of Commerce.

As of April 4th, Liza Normandy will assume the role, and responsibilities of Chief Executive Officer.

Liza will be a tremendous asset for the Chamber with her vast knowledge of the community.

The Board could not have picked a better person for the job!

Reflecting a bit about my history with the South San Francisco Chamber, my first association was when I joined as a member in 1991. At that time I was a realtor, and felt that by joining the chamber I would have the opportunity to get to meet lots of people. The Chamber did not disappoint me! I did meet people, many of whom I am privileged to still call friends!

My association with the Chamber also offered me the opportunity to serve on the Board twice, and once as President in 2005.

Then on November 1, 2006 I got the offer to fill the position of Chief Executive Officer! Being CEO of this Chamber has been truly a dream come true! But all good things must come to an end.

I want to thank all the past, and present Board Members, the City of South San Francisco, City Council, and all the loyal chamber members for their support over the years!

I must also thank and recognize my two co-workers in the office, Linda Parenti, and Arlene Dozier. They have been my rock especially during the transition!

Now that this chapter of my life is closing, I am looking forward to opening a new one! I will not forget South City nor the organizations I have supported over the years.

This is not a "goodbye" but as they say in Italy "Arrivederci"
