President Dean Grubl

All those April showers has brought out the May flowers! Welcome to the month to celebrate Mother's Day, the Kentucky Derby and Memorial Day. Summer is right around the corner!

Your Chamber just finished another very successful Annual Higher Education Scholarship Luncheon. Board Member Tony Clifford did another outstanding job as Chair of this wonderful event and program. The Chamber awarded 36 scholarships to well-deserving students from El Camino High School, South San Francisco High School, Crystal Springs Uplands School, Sacred Heart Cathedral Preparatory, Stuart Hall High School, Baden High School and Design Tech High School. We had over 53 applicants this year! A big **THANK YOU** to the Chamber of Commerce Board of Directors, members, local businesses and individuals that donated to the scholarship event. This continues to get better every year!

Mark your calendars for the "State of the City" luncheon to held on Thursday, June 20, 2019. Mayor Karyl Matsumoto will keep us all informed on what is happening in our City at the A|C Hotel on 1333 Veterans Blvd. starting at 11:30 a.m. Another "must" to attend program. As always, please visit the Chamber of Commerce's website at www.ssfchamber.com to sign up for events and programs and to learn more what YOUR Chamber can do for your business and remember to R.S.V.P. for all up-coming events.

Special notes to share:

Dear Chamber of Commerce Members, I am so thankful to have received the Chamber of Commerce Scholarship. This Scholarship will help me pursue my interest in Art and Interior Design at San Jose State University. I am so excited!!! I am also pursuing a business degree to be able to continue my interest in baking and cooking. I would like to open a bakery of my own.

*Thank you so much!
Sincerely, Celeste Perez*

Thank you for your generosity in providing this scholarship to our daughter and also to all the deserving students who've worked very hard and dedicated themselves to their studies and community. We are very grateful to the business community through the Chamber of Commerce, as it truly understands the importance of working as a community to support students in their future college education. Your support provides our daughter an appreciation to continue in her community and volunteer work; and the funds help tremendously!!

~ A Mom

Cultivating civility is essential to promote dignity, respect and trust in the workplace. These feelings can boost productivity, reduce employee turnover, and increase positive morale at work. To do this, leadership must develop clear policies, training, and model acceptable behaviors. Equally essential, employees need to feel confident in the complaint process and know that prompt and appropriate action will be taken to address their concerns.
