Dear Community Member,

The South San Francisco Police Activities League Boosters will hold its annual Dinner Fundraiser on Friday, January 31, 2020 at the Elks Lodge in South San Francisco. The SSPAL has now been in existence for over 60 years sponsoring youth programs.

What if there were no community members, companies or organizations to help support youth activities. The community of South San Francisco depends on dedicated community members, Police Officers, coaches and parents to provide a way for our youth to learn sportsmanship, discipline, respect and friendship along with providing a positive interaction with the SFP Police Department. Profits from the South San Francisco Police Activities League Boosters Dinner will benefit youth programs throughout our city.

Please consider helping us so that we can continue to provide quality sports to our community by donating prizes for the raffle or a monetary donation to be used in aiding our profits. If you would like to make a monetary donation we have several levels: Donor \$100.00, Sponsor \$250.00, or become a Patron \$800.00, however any amount you wish to donate would be greatly appreciated.

I understand how hard it is with all the organizations that request help but all I am asking is consideration for your support. The South San Francisco Community has been ever so supportive and I hope that you can help in some way this year.

If you have any questions, please call me at 650.583.0790 and if you wish to donate a prize for our raffle we will be glad to pick it up.

Thank You,

  
Sabrina Burtell DeBattola

**SB 778 – Sexual Harassment Training: Requirements (Effective August 30, 2019)**

As a result of legislation passed in 2018 (SB 1343), employers who employ five (5) or more employees, including temporary or seasonal employees, were required to provide two (2) hours of sexual harassment training to all supervisors and managers, and at least one (1) hour of sexual harassment training to all non-supervisory employees, by January 1, 2020, and once every two (2) years thereafter.

SB 778 – signed as an emergency measure on August 30, 2019 – modifies and extends the compliance deadline to January 1, 2021. This bill also requires that new nonsupervisory employees be provided the training within six months of hire and new supervisory employees be provided the training within six months of the assumption of a supervisory position.
