Q&A with

Please contact the Chamber for details.

Monday March 30th at 11am

As we work to absorb the ongoing impact of COVID-19 and the evolving public health directives from the federal, state and local levels about closing all non-essential businesses, sheltering at home, and social distancing, we recognize the unprecedented impact these decisions are having on our local businesses of all sizes and types.

While we do not have all the answers or solutions, the South San Francisco Chamber of Commerce and [San Mateo County Economic Development Association \(SAMCEDA\)](#) invite you to participate in a Q&A discussion about your current operating situation, how you are being impacted, and what you need in the short-term and long-term for your business to survive.

We will take this important information back to local, county, regional, and state decision-makers to help them shape programs intended to support San Mateo County businesses of all types.
